Since 1986, we have given over \$330,000 in scholarships. With the unwavering support of our donors, the scholarship program will continue to help those financially who dream of a medical degree.

The **Mark Dale Memorial Scholarship** honors the life and legacy of a community-minded individual. A 1982 graduate of Glasgow High School, Mark was active in wrestling and football and carried that same dedication into adulthood. He proudly served the community through his volunteer work with the Long Run Fire Department and was known as someone who never met a stranger. Mark spent 40 years as a journeyman plumber with Dale Plumbing & Heating, a career he earned through perseverance and hard work. This scholarship supports students who share Mark's work ethic, commitment to service, and love for Valley County.

2025 Frances Mahon Deaconess Hospital Foundation, Inc. Annual Report

Along with supporting our students, the Foundation gifted \$85,000 in medical equipment to following organizations:

- Exam table to FMDH Glasgow Clinic Primary Care to use at Valley View Home
- Donation toward Zoll Cardiac Monitor for Northeast Montana STAT Air
- Supplies for CNA Classes to Prairie Ridge Village
- Dumbbells for SAIL Classes to FMDH EMS
- 19 medical & nursing scholarships to local students
- MRI Sound System to FMDH Radiology
- Elliptical & Treadmill to Milk River
- 2 Bassinets for FMDH Labor & Delivery
- Donation toward Game Ready for North County Mavericks
- Medication Cart for Prairie Ridge Village
- Donation toward a Mammography Machine for FMDH Radiology

This year, we were excited to host our golf tournament in June, where we raised over \$21,000 with 23 teams participating. We were able to raise \$22,000 at our Secret Garden Soiree, held at the Cottonwood Inn & Suites, with Baker's Jewelry donating a beautiful diamond ring. Lastly, our Tree of Life, which is lit the Friday after Thanksgiving and remained so through the New Year, raised \$36,000.

The Foundation had a great year and continues to help your loved ones through various community organizations. Thank you for supporting the Foundation and its mission to provide financial support to FMDH and other medically needed projects in Valley County, ensuring that the medical services provided are of the highest quality. We couldn't accomplish this without the support of all of this wonderful community. Join us in 2026 for another great year!

About the FMDH Foundation

The FMDH Foundation is an independent, non-profit charitable organization that was incorporated in 1982. It is governed by a dedicated Board of Directors while its day-to-day administration is managed by the Foundation Coordinator. The Foundation is an integral part of Frances Mahon Deaconess Hospital and the community, helping to provide the latest technology, medical equipment, and training for various organizations. The Foundation also provides scholarships to Valley County graduates studying in a medical or medically related field. Most of us will all come into contact with an item that was purchased by the FMDH Foundation because of the wonderful support of our donors!

Trusts and Endowments

When you give to one of the FMDH Foundation trusts or endowments, your gift is preserved in perpetuity ensuring that it will thrive and continue to grow – impacting the lives of future generations. Your original gift is invested and only the interest and dividends are used to support the FMDH Foundation's giving. These choices include:

- **General Endowment** allows the FMDH Foundation to purchase much-needed medical equipment for FMDH and other community organizations like Prairie Ridge, Valley View, Milk River, Inc., etc. (All unspecified donations are deposited into the General Endowment.)
- **Markle's Ambulance Trust** helps support the ambulance services in Glasgow, Lustre, North Country and Hinsdale.
- **Scholarship Fund** ensures that funds are given to second-year college students studying in a medical field who have graduated from a Valley County high school.
- **Mammography Fund** was started in 2010 when the Foundation pledged to help the Frances Mahon Deaconess Hospital raise the funds necessary to purchase a Hologic digital tomography machine. This new technology allows the FMDH Radiologist to view breasts in a 3-D image, thereby allowing improved identification of potentially cancerous areas. We reached our goal at the end of 2012 and the digital machine is now serving FMDH patients. We will continue to have this fund to help with future expenses and make sure our patients receive top of the line care.
