- Shanice Lagerquist – Berge Scholarship

Send your **tax deductible** gift with the form attached in the envelope provided. Be sure to visit us on Facebook for updates!

General Endowment: Funds raised are invested and only the interest and dividends are used for gifting in Valley County.

Mammography Fund: Helped purchase a 3-D mammography machine and continues to stay open for further improvements.

Markle's Ambulance Fund: Help us support the four ambulance services: Glasgow, Hinsdale, Lustre and Opheim.

Scholarship Fund: Help us give out scholarships to second year college students studying in a medical field who have graduated from local high schools.

We hope this finds you healthy and looking forward to the holiday season!

The FMDH's Foundation's "Tree of Life" will be lit soon! The tree is a symbol of the support received from this community and is a unique way for friends to help friends. With each gift, you can remember or honor a special person or event in your life. The names of the honorees are written on ornaments and hung, as a loving tribute on the tree. An acknowledgement card will be sent to whomever you request. The tree will be lit November 28th, and remain so until the New Year. It is a great way to pay tribute to our loved ones, and a very thoughtful present that continues to give even after the tree is taken down.

We are able to gift \$90,000 within Valley County this year to ensure that you and your loved ones continue to receive the best care in rural America.

Our warmest gratitude go out to you as we wish you and yours the most joyous of holiday seasons!

Merry Christmas and Happy Holidays!

Taylor Zerbe, Foundation Coordinator
& the FMDH Foundation Board of Directors

Pictured above are Annie Capdeville (left), Foundation Board Member, Robin Johnson (middle) and Lynn Miller (right) both from the Valley County Health Department receiving a \$5,000 donation to their AED program which helps this community maintain our Cardiac Ready Community status.

Gifts that keep on giving...

Pictured above are Michelle Eliason (left), Milk River Coordinator and Michelle Bigelbach (right), Foundation Board Member. Michelle E. is receiving the first of two adult changing beds gifted to Milk River Activity Center.

Pictured above is a Simply Go Unit for FMDH Home Oxygen. They are able to loan it to individuals who have appointments in Billings or want to travel to see family for the holidays and don't own portable oxygen.
