Scan the QR Code above with your phone's camera to be taken to our website!

There you can:

- Donate to any of our four funds
- View the loved ones people have donated in memory or in honor of

We hope this finds you healthy and looking forward to the holiday season!

The FMDH Foundation's "Tree of Life" will be lit soon! The tree is a symbol of the support received from this community and is a unique way for friends to help friends. With each gift, you can remember or honor a special person or event in your life. The names of the honorees are written on ornaments and hung as a loving tribute on the tree. An acknowledgement card will be sent to whomever you request. The tree will be lit November 27th, and remain so until the New Year. It is a great way to pay tribute to our loved ones, and a very thoughtful present that continues to give even after the tree is taken down.

We gifted \$100,000 within Valley County this year to ensure that you and your loved ones continue to receive the best care in rural America.

Our warmest gratitude goes out to you as we wish you and yours the most joyous of holiday seasons!

Merry Christmas and Happy Holidays!

Taylor Hohlen, Foundation Coordinator
& the FMDH Foundation Board of Directors

Send your **tax deductible** gift with the attached form in the envelope provided.

Be sure to visit us on **Facebook** and our **website** to view our progress on our \$15,000 fundraising goal!

General Endowment: Funds raised are invested and only the interest and dividends are used for gifting medical equipment in Valley County.

Mammography Fund: Helped purchase a 3-D mammography machine and continues to stay open for further improvements.

Markle's Ambulance Trust: Help us support the four ambulance services: Glasgow, Hinsdale, Lustre and Opheim.

Scholarship Fund: Help us award scholarships to second year college students studying in a medical field who have graduated from local high schools.

Gifts that keep on giving...

Pictured above is La-Z-Boy healthcare infusion recliner purchased for FMDH Outpatient Clinic. It offers zero-gravity function, electric recline, massage and heat for ultimate comfort and functionality for infusion patients.

Pictured above is a Pigg-O-Stat device purchased for FMDH Radiology. This equipment allows technologists to effectively perform x-rays on pediatric patients.
